STREET SCENE

Circa 1910, our interactive North Front Street scene of then-British Honduras depicted in our historical exhibit is a whimsical setting for various events, from workshops to happy hours and engagement parties to corporate cocktails. If you're looking to create an intimate, memorable experience like no other in Belize City, here's your chance!

Address: 5.5 Miles George Price Highway, Belize City. Our street scene is located within our Historical Exhibit where the Old Belize Train Tour typically runs, and closes for private event rentals.

Capacity: The street scene can accommodate up to 100 people cocktail style, with seating for up to 60 persons.

Pricing : Enjoy our venue for your event with a flat rental fee of \$1000. Included within pricing are tables, chairs, and select staff; a cooler is available upon request at no extra charge. Staff includes a manager on duty from start to end time of the event with a cleaner station outside the bathrooms; security is also assigned to patrol the parking lot.

As a reminder, pricing covers rental space; tablecloths, chair covers, and any other décor must be independently sourced.

All events must conclude at or before 2AM.

Complimentary Access: Booking the street scene for your cocktail and/or reception grants complimentary availability of Kukumba Beach for the wedding ceremony, at no extra cost. Please note that Kukumba Beach is otherwise open to the public; hosting a ceremony and reception in the street scene does not come in contact with public beachgoers.

Parking: Free parking includes space for 70 cars.

Utilities: Water and power are available. Fully air-conditioned.
